ADMINISTRATIVE REPORTS

Michelle Ryskamp:

School Updates

- School Development Plan (SDP) presentation shared and includes literacy, mathematics, and well-being. PowerPoint of presentation is posted to school website. Welcoming feedback from families using the survey sent through school messenger.
- School Budget: 1.6 million dollars, at least 85% is budgeted for staffing. Fees are necessary when covering costs that exceed funds for activities, fieldtrips, etc. School fees must be posted to families at the start of the year, so a comprehensive list was created to keep options open. A report on how fees were spent is needed at the end of the year. Welcoming feedback from families about budget and fees using the survey that was sent through school messenger.
- Feedback to be shared during the April council meeting.
- Pictures of school bulletin boards shared

Michelle Sherlow:

- Fieldtrip to Calgary Police Museum for grade 5/6 was a success, learning from the trip was transferred to the classroom
- Work on math continues with what students wonder or notice
- Increasing ability of collaborative and cooperative learning due to less public health restrictions
